

2-Comp Laminated Molded Fiber Container

Heat-Resistant | Leak-Proof | Oil-Resistant | Recyclable

TPX-PP Laminated Pulp Base × Clear Lid

Next-generation packaging for take out, delivery, food safety & sustainability

5 Core Advantages

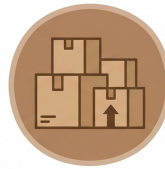

Superior Leak & Grease Resistance

No messes, no spills, even under high heat

Microwave & Oven Safe

Powered by advanced TPX-PP laminated technology

Heavy-Duty Stackability

3D reinforced structure for Form & Function

Premium Non-Stick Performance

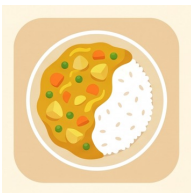

Clean release for cheese, sauces, and rice

Eco-Friendly & ESG Compliant

The green alternative to traditional plastic containers

Perfect for All Cuisines

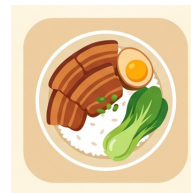

Curry Rice

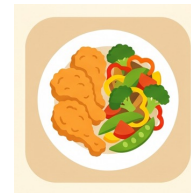

Delivery Bento

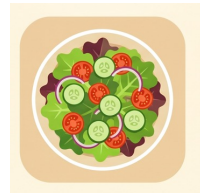

Pasta

Rice Dishes

Fried Foods & Stir-fry

Healthy Light Meals

Product Specifications

Capacity	27 oz (800ml)	Lid Material	Clear PET	Lid Size(mm)	226.8 x 165 x 26.5
Quantity (Box)	300 Sets	Tray Material	Molded Fiber	Tray Size(mm)	223 x 160 x 47.5
